

Customer information for the transferring of personal data

We have collected information about individuals who have been interested in a particular subject area and who have given us the consent - in the context of an event or other offer - to share this personal information with you.

Please keep in mind that the permission of each user is appropriated. The declaration of consent for the elicitation of data has been asked with the following text:

*"I hereby declare that my data entered by the Konradin Mediengruppe... here the performing Ltd is first entered followed by all related companies of the Konradin Mediengruppe.... *) to the companies that provide the documents for which I asked for, [... here depending on the business model, we add all companies that have received data] and I also declare that the above named companies are allowed to contact me via e-mail, postal service, or telephone, regarding further information about their products and services. I can revoke my permission at any time to Konradin via e-mail at datenschutz@konradin.de, as well as towards each of the other companies involved, via postal service, fax or email."*

Please note: If you want to use the provided data for purposes other than the mentioned above, you will have to obtain a corresponding declaration of consent from the concerned individuals for the extended purpose.

Leinfelden, 24.5.2018
